

Hello everyone I'm Chamika Rohan. Im from Kandy. When i look at my swot analysis,

Strengths

Time management-I like to do things on time. Nomally i do not delay works. And also i like when others also do things on time

Hard working-I am a hard worker.

Team work-I like to work as a team with respecting to all team members ideas. At the momnet i am a team leader in aiesec in university of ruhuna also.

I like to be busy. Because when I busy I know im doing my best.

Weaknesses

Lazy at the morning-Ussualy i dont get up eaely. It is a weakness of mine.

Stage fear-I have stage fear i want to overid of it.

Im easily get stress.

Opertunities

Faculty of Engineering-being selected to the FOE UOR is the best opertunity of my life. Because of that i have lot of opeetunities.

Clubs and societies-In university of ruhuna we have so many clubs amd societies that we can develop our soft skills. As a result i am a member of AIESEC in University of Ruhuna.

Live in kandy- cz i have a dream to cover hikes as much as i can in my life. So in kandy we have lots of hills amd moutains.

My parents- because they gave me everything i needed. So im very lucky to have them.

Good caring friends-they with me in my happy and sad moment.

Threats

There are some bad friends also in my life that is a threat for me.

covid situation is the biggest threat in these days to me.because of this we cant enjoy life like earlier.It is a really sad thing.We cant go out in houses.We cant go for a hike or a trip.I hope this situation will over soon and lifes will become normal again.

Thats all abput my swot.Thank you!
